Illinois Freedom of Information Act Request

To whom it may concern:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, (the "Act"), Cable News Network, Inc. ("CNN") requests the following:

We request access or pdf copies of the emails to and from Michael Berkoff with the search words "USS Lead", "U.S. Smelter and Lead Refinery", "West Calumet", "West Calumet Complex", "East Chicago" and "Anaconda lead" from 2012 to 2016 (to date of this filing).

CNN agrees to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$500. Please notify me prior to your incurring any expenses in excess of that amount.

If CNN's request is denied in whole or part, we ask that you justify all deletions by reference to the specific exemptions of the Act. CNN will also expect you to release all segregable portions of otherwise exempt material. CNN reserves the right to appeal your decision to withhold any information.

As I have made this request in the capacity as a journalist and this information is of timely value, I would appreciate your expediting the consideration of this request in every way possible. In any event, I look forward to your reply within five (5) working days, as the Act requires.

Thank you for your assistance.

Sincerely,
Rosa Flores, CNN Correspondent
